▶ When I Was Your Man
Bruno Mars

Same bed, but it feels just a little bit bigger now
Our song on the radio, but it don't sound the same
When our friends talk about you, all it does is just tear me down
'Cause my heart breaks a little when I hear your name
It all just sounds like, uh, uh, uh, uh, uh

Hmm, too young, too dumb to realize
That I should've bought you flowers and held your hand
Should've gave you all my hours when I had the chance
Take you to every party, 'cause all you wanted to do was dance
Now my baby is dancing, but she's dancing with another man

My pride, my ego, my needs and my selfish ways
Caused a good strong woman like you to walk out my life
Now I'll never, never get to clean up the mess I made, oh
And it haunts me every time I close my eyes
It all just sounds like, uh, uh, uh, uh, uh

Hmm, too young, too dumb to realize
That I should've bought you flowers and held your hand
Should've gave you all my hours when I had the chance
Take you to every party, 'cause all you wanted to do was dance
Now my baby is dancing, but she's dancing with another man

Although it hurts
I'll be the first to say that I was wrong
Oh, I know I'm probably much too late
To try and apologize for my mistakes
But I just want you to know

I hope he buys you flowers, I hope he holds your hand
Give you all his hours when he has the chance
Take you to every party
'Cause I remember how much you loved to dance

Do all the things I should've done
When I was your man
Do all the things I should've done
When I was your man

2. Wondering if I can sneak out the back

Nobody's even looking me in my eyes

And then you take my hand

Finish my drink, say: Shall we dance? Hell, yeah!

Y'know I love you, did I ever tell you?

You make it better like that

Don't think I fit in at this party

Everyone's got so much to say, yeah

3. I always feel like I'm nobody

Who wants to fit in anyway?

'Cause I don't care

When I'm with my baby, yeah

All the bad things disappear

And you making me feel that maybe I am somebody

I can deal with the bad nights

When I'm with my baby, yeah (ooh, ooh, ooh)

'Cause I don't care

As long as you just hold me near

You can take me anywhere

And you making me feel like I'm loved by somebody

I can deal with the bad nights

When I'm with my baby, yeah (ooh, ooh, ooh)

We at a party we don't wanna be at
4. Trying to talk, but we can't hear ourselves
5. Read your lips, I'd rather kiss 'em right back
With all these people all around, 6. I'm crippled with anxiety
But I'm told it's where I'm supposed to be
You know what?
It's kind of crazy 'cause I really don't mind
When you make it better like that

Don't think we fit in at this party
Everyone's got so much to say, oh, yeah, yeah
When we walked in, I said: I'm sorry
But now I think that we should stay

'Cause I don't care
When I'm with my baby, yeah
All the bad things disappear
And you making me feel that maybe I am somebody
I can deal with the bad nights
When I'm with my baby, yeah (ooh, ooh, ooh)
Oh, yeah, yeah, yeah

I don't like nobody but you
It's like you're the only one here
I don't like nobody but you
Baby, I don't care

I don't like nobody but you
I hate everyone here
I don't like nobody but you
Baby, yeah

'Cause I don't care
As long as you just hold me near (me near)
You can take me anywhere (anywhere, anywhere)
And you making me feel like I'm loved by somebody (loved by somebody, yeah)
I can deal with the bad nights
When I'm with my baby, yeah (ooh, ooh, ooh)

Dear Anna.

1. Lemme tell you a little about my life. I grew up in a small town. It was a lovely place, but it rained quite often there.

2. Well, when the rain would fall down, I'd just stare out my window dreaming of what my life could be and if I'd end up happy.

3. I wanted to be happy so badly that I would pray over and over. I tried hard to reach out, but when I tried to speak out I felt like no one could hear me. I wanted to belong here even though something felt so wrong here. So I prayed I could breakaway. I dreamed of the day I'd be feel free.

4. So, I'll spread my wings and I'll learn how to fly. I'll do what it takes till I touch the sky and I'll make a wish, take a chance, make a change and breakaway.

5. I'll go out of the darkness and into the Sun. I won't forget all the ones that I love, but, I'll take a risk, take a chance, make a change and breakaway because I wanna feel the warm breeze, sleep under a palm tree, feel the rush of the ocean, get onboard a fast train, travel on a jet plane far away and breakaway.

6. I also wanna see buildings with a hundred floors and go swinging around revolving doors. Maybe I don't know where they'll take me, but I gotta keep moving on, flying away and then breakaway.

I want to break free and live a happy life.

Yours, Kelly.

Da da da da da da
Da da da da da da
Da da da da da da da da da

Grew up in a small town
And when the rain would fall down
~~When I woke up the rain was pouring down~~
I'd just stare out my window
Dreaming of what could be
A dream is a wish your heart makes
And if I'd end up happy
I would pray

Trying hard to reach out
But when I tried to speak out
Felt like no one could hear me
Wanted to belong here
But something felt so wrong here
So I prayed I could breakaway

I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
I want to break free
And I'll make a wish, take a chance, make a change
And breakaway

Out of the darkness and into the Sun
I won't forget all the ones that I love
You're the one that I love
I'll take a risk, take a chance, make a change
And breakaway

Wanna feel the warm breeze
Sleep under a palm tree
Feel the rush of the ocean
Get onboard a fast train
Travel on a jet plane far away
I'm looking to the sky to save me
And breakaway

I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
I want to break free
And I'll make a wish, take a chance, make a change
And breakaway

Out of the darkness and into the Sun
I won't forget all the ones that I love
You're the one that I love
I'll take a risk, take a chance, make a change
And breakaway

Buildings with a hundred floors
Like a skyscraper
Swinging around revolving doors
Maybe I don't know where they'll take me, but
Gotta keep moving on, moving on
Fly away, breakaway

I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
I want to break free
And I'll make a wish, take a chance, make a change
And breakaway

Out of the darkness and into the Sun
I won't forget all the ones that I love
You're the one that I love
I'll take a risk, take a chance, make a change
And breakaway
